

R1 SOFTWARE AUTOMATED BILLING PROGRAM

We invite you to join our “Automated Order Payment” program. It’s easy, convenient and efficient. This payment program deducts your bill automatically from your checking account, or credit card. Your Electronic Check (ACH) payment transactions can be deducted from accounts at virtually any financial institution (bank, credit union, etc.). These transactions will appear each month on your bank statement. This feature is for U.S. and Puerto Rico residents only.

- With Automatic Order Payment, you save time.
- You save money.

Call or email us with your order and we can process the payment the same day. To take advantage of the Automated program, simply complete the agreement below. This form only needs to be completed the first time you use this service.
